Dear Jr. Staff Parent,

First of all, we thank you for entrusting your child to us while he/she is at Camp this summer. For your and your child's convenience, your Jr. Staff may stay a weekend at Camp if they are scheduled to volunteer two weeks in a row or if a brother or sister is coming up the day after or will be picked up the day before your Jr. Staff's week(s) of service. We are continually committed to the safety of your child, and for those reasons we would like to make you aware of the rules and guidelines that are in place should your child need to spend a weekend at Camp.

Generally this practice is discouraged, but we know that it is not practical in some situations to drive home Saturday and back on Sunday. If your child would stay at Camp over the weekend, there will be no formal supervision in place. While there generally are staff around, we are off duty at that time. If you are uncomfortable with this and know a SALT Staff member that would be willing to supervise your child, you may contact them privately.

No meals will be provided over the weekend between Saturday breakfast and Sunday supper. Your Jr. Staff may leave Camp property to run errands or purchase food. We ask that your Jr. Staff have a car here in order to go into town. If that is not an option, pizza may be ordered in on Saturday night. SALT Staff are usually very willing to hang out with the Jr. Staff on weekends, but again they are not responsible for your child.

We ask that you sign at the bottom of this letter allowing your child to stay at Camp over a weekend. By signing you understand and are agreeing to the aforementioned items. Please send it with your child when he or she comes to volunteer or fax it to the office at 920-787-0032.

If you have any questions or concerns, please leave a message at Camp for Bethany or Matt at 920-787-3202 or send us an email at: office@campphillip.com.

In Christ,

Bethany Wichman & Matt Werner
Junior Staff Directors
