Your camp--Camp Phillip--faced that this summer!

- Camp Phillip serves more than 4,000 young people each year.
- Camp Phillip has over 1,100 campers registered for 2019.
- While **there is still room in some summer camps** (For openings check out www.campphillip.com/registration.), there were also **more than 50 names on waiting lists for other camps.**

† † **Camp Phillip can be life-changing for a child!** † †

- *"I am a stronger Christian today because of the time I spent at Camp Phillip."*
- *"It is a great place to go and meet new people, make great friends and great memories, and to grow in your faith."*
- *"Camp Phillip is your getaway and recharge, your outlet for serving, your child's favorite summer memory, your family's vacation, your fishing trip, your swimming hole, your disc golf course, your challenge course, your teambuilding, your rejuvenator, your open space, your stargazing, your place for being yourself, and your destination for meditating on God's truths."*

Help us finish our lodge so that Erin and Paul and many more can come to camp this summer.

\$33,000 is needed to finish the lodge.

The lodge addresses camp's three greatest needs:

- **More lodging**
Each floor has been designed to have two sleeping rooms with one meeting room between them. Each sleeping room will have bunk beds to accommodate 12 people.
- **More handicap facilities**
Each sleeping room has its own handicap accessible bathroom. Each floor of this cabin will have access from the outside.
- **More meeting space**
At this time, the upper level will not be finished with sleeping rooms; it will be kept open so that we have a large meeting area, with the option to add the two sleeping rooms at a later time.

Your support of \$10, \$100, \$1000, \$10000 means we can reach MORE people with God's Word.
